**REPORT OF GOFFSTOWN VILLAGE
FIRE PRECINCT**

**Fire Wardens
and
Water Commissioners**

ANNUAL REPORT OF THE FIRE WARDENS OF THE GOFFSTOWN VILLAGE FIRE PRECINCT

During the past year the Fire Department has answered 34 calls for aid, thirteen in the Precinct, nineteen in the town outside of the Precinct, and two for aid in the Towns of Weare and Dunbarton. Seventeen were chimney fires, three grass fires, three caused by lightning, five brush fires, one overheated fireplace, one kerosene tipped over on heating register, and one at the Town Dump. Three were for house fires.

We feel very much pleased to report that our total loss from fires during the year was less than \$1,000.00.

At this time we feel as though we ought to urge one and all to be extremely careful about fires. Our hydrants may be frozen, in fact, we know some of them are, but until the frost leaves the ground they will freeze as soon as they are thawed out. Water holes have been cut in the river in several places, and the brook at Parker's Station has been opened up, and in case of emergency are ready to use.

During the past year our Board lost a valued member by death, Brother Herman M. Smith. Well liked by every member of the Fire Department and a true friend to everyone who knew him. We sincerely mourn his loss.

WILLIAM A. PAIGE,
W. A. MARTIN,
H. J. RICHARDS,
R. M. GORDON,

Fire Wardens

To the Citizens of the Town of Goffstown and Fellow Members of the Fire Department:

As Chief of the Goffstown Fire Department, I wish to thank each and every one of you for the loyal support you have given me in the past. I have been a member of the Department for thirty-two years, having filled all official positions to which you could elect me. I have always tried to be faithful to every trust bestowed upon me and have done my duty in trying to hold expenses and taxes down, yet at the same time doing the best I could to make our Department efficient.

Our Department is composed of as fine a lot of men as could be found anywhere, men you should feel proud of. I have tried, and succeeded in a measure, in creating a friendly feeling with firemen of the surrounding towns, so in case of help needed here or there we may work together more efficiently.

Whoever is selected to lead the Fire Department in the future, I sincerely hope the citizens and firemen will be as loyal to him as they have been to me.

WILLIAM A. PAIGE,
Chief

REPORT OF RECREATION COMMISSION FOR CARE OF BARNARD'S PLAYGROUND

The Playground Commission, under the chairmanship of Guy B. Thorp, met early in the season of 1933 and the various departments of the care and upkeep of the playground were allotted as follows: Grand stand, tools, electric lights and arch, chairman, Guy B. Thorp; ball field, score board, grass and water, Raymond Ewart; tennis court and pond, Alfred W. Poore; children's equipment and settees, Ruth B. Luscombe, and trees, shrubs and flag, Lina R. Lamson.

The flag was raised on the various holidays when in order, under the direction of the Scoutmaster, Alonzo Gagnon, Scouts Richard Bryant and Charles Thorp carrying out this order.

The annual lawn party of the Scouts was held here during July, also community services and several picnics by local organizations. The baseball diamond was as usual much used and the tennis court was well patronized. Swimming was enjoyed early in the summer season and skating in the winter months.

A group of CWA workers, under the direction of Mr. Edward Hart, have improved the pond and are preparing a second tennis court. The work will continue until early spring.

The benches, gift of the Shirley Club in past years, were replanted and new bases made to hold them in place.

Alfred W. Poore was reappointed for three years in April, 1933.

REPORT OF TRUSTEES OF GOFFSTOWN MEMORIAL LIBRARY

One of the dreams of those most interested in the welfare of the library has at last become a reality by the conversion of the former G. A. R. room into a library children's room. When the Charles Stinson W. R. C. disbanded recently they not only released their claim to the room but also most generously turned over to the trustees for library use the furniture belonging to their organization. With the limited funds available it is impossible to equip the room completely at present but a start has been made and it is felt that a room in which the children may gather to read and select their own books and magazines will be appreciated by young and old alike. As is done in many larger libraries the children's room will be closed after 6 P. M. A ruling made recently allows children to hold borrowers' cards after reaching the age of seven, and requires that all applications of children under high school age shall be signed by parent or guardian.

The work of the library continues to be ably carried on by Miss Louise Marden, librarian, and Miss Annie Harrington, assistant librarian, with Miss Margaret Stark and Miss Ruth King acting as substitutes when needed. For a part of the summer volunteer work was done by Miss Marjorie Wheeler, who gave her services in return for the training and experience received. Early in the winter a CWA worker from Concord spent three weeks mending books at the library. At the suggestion of the librarian it was decided to keep the library open during the same hours on Wednesday as on Saturday, viz: 2 to 8 P. M.

In 1934 there are a number of repairs necessary to be made in the interior of the building and some children's

room equipment must be purchased. This means that our appropriation should at least equal, if not exceed, that for 1933.

The trustees greatly appreciate and gratefully acknowledge all gifts received from individuals and organizations during the year. Among these we wish to mention especially the gift of \$25 from the Shirley Club and the income from the fund established in 1932 by E. W. Goodwin. Such generosity on the part of our citizens substantially expresses their approval of the library and the work it is doing in our community.

REPORT OF TRUSTEES OF CEMETERIES

The rainfall of the past summer was a boon to the maintenance of our cemeteries, succeeding as it did a very dry season that nearly ruined the grass on the lawns. Although the expense of maintenance has been greater on account of more frequent mowing of the lawns, the conditions are about on an average as compared to other years. During the past year a new lawn has been graded in Westlawn, thereby increasing the number of available lots. The CWA project, being carried out at the present time will make the ravine much better looking and add some desirable lots. The expense to the town will be small, compared to the benefit received.

Under the wills of Caroline Johnson and Abbie Woodman a bequest of two thousand dollars was received.

The income of this fund is to be used for care and maintenance of the burial lot of the late T. Russell Butterfield, and any money remaining after paying for the care of said lot may be used for the purchase of books for the Goffstown Public Library.

At the Hillside Cemetery much has been accomplished in the way of grading and seeding down lawns which add much to its appearance. In the near future a fence should be built on the westerly side of the cemetery and the brush cut and burned.

The driveways should be laid out in the new part, and part of them built, thereby rendering some of the new land available for lots.

We wish to express our appreciation to the superintendents of different cemeteries for the efficient manner in which they have performed their duties.

Respectfully submitted,

FRANK W. KENDALL,

EDGAR W. POORE,

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Citizens of Goffstown Independent School District:

TEACHERS

Miss Ruth Dodge of New Boston began work in high school in September. Miss Dodge holds a Masters' Degree from the University of N. H., and teaches English, French, and one Latin class in the high school, and English in Grade VIII.

Miss Florence Tarr of Bedford, now in charge of grades VII and VIII, has had three years of Normal training and a few years of teaching experience before coming here. In addition to work of Grades VII and VIII, Miss Tarr teaches Freshman history and Sophomore and Junior algebra—also is coaching girls' basketball.

Miss Dorothy Soule of Manchester, graduate of Keene Normal, 1932. In addition to regular training, Miss Soule has also had special training in music—and has charge of the high school music groups.

ENROLLMENT

Grades 3 and 4	35
Grades 5 and 6	42
Grades 7 and 8	40

Total	271	

The elementary enrollment is practically the same as last year. In the high school, however, there have been 111 registered this year against 94 last year.

ATTENDANCE

The percent of attendance last year for high school was 97. The state average for high schools were 95.8. This gives the local high school a fine margin on the right side.

In the number of tardinesses per high school pupil the state average is .8 per pupil. Here it is .5 per pupil. The percent of attendance for grades here is 97%. The state elementary average for last year is 95.3. Again a favorable margin.

The average of tardiness for elementary pupils of the state is .95. In Goffstown the average is .5.

THE COMMUNITY AND ITS SCHOOLS

The community's appreciation of the work of the High School Orchestra under the direction of Mr. Avery has been indicated in many ways in the past. Most recently it is evidenced by money from clubs and individuals to aid in the purchase of jackets appropriate for the group. This orchestra is composed of young people who are working because they appreciate this opportunity for pleasure, and more too, for profit.

On one occasion this year, Prof. Kalijarvi of the University of N. H., was in Manchester for an evening address at the Institute. It was possible for him to come in the afternoon to address the high school assembly—only there was no money to defray a small expense. Mrs. Lina Lamson brought

this to the attention of the Unity and Shirley Clubs. They quickly provided the necessary money. Prof. Kalijarvi came—welcomed by many people from the community as well as the high school folks—gave an excellent presentation of the German situation as it is under Hitler's dictatorship. Such co-operative "assemblies" might be increased with profit to those in school and out.

Another matter in which there might be a co-operative solution is in connection with the "hot lunch" idea for the pupils (about 60) who come from a distance which requires that lunch be brought. A plan has been tried—but without success which warrants continuing in that way. In one village a hot drink or chowder is arranged for by the local Women's Club. The club pays for and prepares the material, the school sees to the getting, serving and cleaning up. The expense is not heavy. The work is divided, and a substantial contribution is made to the lunch brought from homes.

HEALTH SUPERVISION

Miss Edith Walker, R. N., continues in charge. In this work it is of special advantage to have the continuous service of one qualified and acquainted with pupils and many of the homes and parents.

The last few years have been "healthy"—marked by the absence of any real epidemics. Much prevention and remedial work has been done.

ATHLETICS

This year has been another very fine season for the basketball devotees. Both teams have worked and played splendidly. The "support" this year has not been up to the preceding years. But the basketball income from games and dues will carry the year's expense for both basketball and baseball. And it is not difficult to account for a falling off in attendance at the games this season.

Respectfully submitted,

J. BRYON TARNEY.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Goffstown Town School District:

TEACHERS:

This year brought two teacher changes so that Miss Mildred Bergquist of Manchester is teaching at Parker Station, one of the two one-room schools in use. Twenty-three pupils have been enrolled there. Miss Bergquist was graduated from Keene Normal School last June.

At Grasmere Grammar, Miss Katherine McLain resigned to continue Normal School training at Keene. Miss Ruth Jones of Manchester, graduate of Plymouth and with one year of teaching experience, was elected to fill that position. Twenty-nine different pupils have been registered in that room this year.

ENROLLMENT

The total enrollment in the Town schools this year is just at 250. In addition to this, about the usual number are to be found in high school. In Manchester, at

HIGH SCHOOL TUITION

The tuition cost for these pupils

In Manchester, 32; approximately.....	\$3,000.00
In Goffstown, 28; approximately.....	2,000.00
	\$5,000.00

For the current year the total expended for high school tuition by this district is approximately \$5,000. It will be noted in the Budget asked for the next school year (1934-35) the amount asked for high school tuition is estimated at \$5,500. But few of those in any of the high schools graduate this year. In Goffstown only two will graduate. More than two will enter next fall—probably five or more. In Manchester, only a few will graduate. In all likelihood more will enter there than will graduate. It is easily understood that at this date it is not possible to state exactly how many will graduate or fail to return next fall—nor can the exact number entering be known. But with present labor conditions, and present labor regulations, it is practically impossible for anyone under 16 years of age to get any place in shops or mills. As a result, young people are urged to remain in high school in preference to loafing or aimlessly wandering about hoping for a job. The tendency is to keep some in school who would “go to work” if “jobs” were available. This state of affairs will doubtless remain for an indefinite period.

BUILDING REPAIRS

Last summer, in addition to repairs on unused buildings, the School Board had all walls and ceilings in the Bartlett building thoroughly cleaned and painted. The Shirley Hill School was also altered somewhat and walls and ceilings all done over. This building and the one at Parker's Station are the only one-room buildings that have been used for some time. Both of these buildings are practically filled.

HEALTH SUPERVISION

Physical examinations were given all pupils last fall by Dr. Swett. Miss Edith Walker, R. N., continues her splendid work as School Nurse. In addition to the schools of this district she also is Health Supervisor in the Goffstown Special District, New Boston, Bedford, Weare and Dunbarton. The practice of having this work done by a full-time School Nurse

is one that experience has proved most satisfactory and effective.

Again, to the teachers, members of the School Board and many who in unofficial ways have co-operated in the work of the schools, I extend my appreciation.

Respectfully submitted,

J. BYRON TARNEY,
Superintendent of Schools

REPORT OF THE SCHOOL BOARD

GOFFSTOWN TOWN SCHOOL DISTRICT

Several changes were made in the reorganization of supervisory unions at the beginning of the school year by the State Board of Education, due to legislative action. A great many unions were redistricted. Goffstown School District includes this year—Goffstown Town and Special, Weare, New Boston. The Board regrets losing Bedford.

By invitation of the Special School Board, the annual meeting was held in Goffstown High School building, when Mr. J. Byron Tarney was re-elected Superintendent.

The number of one-room schools in New Hampshire has decreased from 803 to 512 during the past few years, and pupils transported increased more than 60%, due to economy in expenditures. Our present plan of carrying pupils has been the effort of the Board to economize.

During the summer the Bartlett School was repainted inside; at Shirley Hill a partition removed, and some painting inside; at Parker's, other than cleaning, there was nothing else. There are a few changes the Board hope to make this coming summer at Shirley Hill and Parker's.

Expenditures for repairs on unused school buildings totalled \$559.28. For the kind and willing co-operation of parents and friends, grateful acknowledgment is here made by the Board in the repairing at *Pattee Hill* by: William Beals, George Whipple, Earl Whipple, Percy Whipple, Roy Whipple, William Porritt, Frank Kidder, Benjamin Wheeler. The building was painted, shingled, hasped, padlocked, bushes cut, shutters made for shed, and a sill repaired on shed.

At *East Part* by: Leland Stanyon, Harry Dow, A. W. Stanyon, Elmer Bowie, Leo Panziere, Charles Hoyt, Bert Dow, Mr. Biron, Tilon Poore, B. Martel, Herman Pollard. The building was painted, shingled, and shutters repaired. The shed was also painted.

At *Kennedy Hill* by: Horace Roberts, Shirley Roberts, Rob McConnell, Bert Paige, Albert Taggart, James Taggart, William Eaton. The building was painted, shingled, and shutters repaired.

At *Tibbetts Hill* by: Henry Cleveland. The building was painted and hasps put on shutters, bushes were cut.

At *Paige Hill* by: W. I. Royce, Roy Whipple, Mr. and Mrs. Charles Holt, George Holt, Charles Carroll, S. K. Lovell, Chester Kelsea, Mr. and Mrs. Fred Spaulding, Edwin Waite. The building was painted, shutters repaired, new sill on part of building, hasps put on shutters, building cleaned inside, and bushes cut.

At *Grasmere* by: Arthur Spencer, Charles Spencer. The shed was shingled, and shutters repaired and painted, also part of new sill under same.

The Board wishes to thank the teachers for faithful work, and the friendly help of many people in carrying on our schools. We have made an effort to make our tax dollars go farther during these hard times. We respectfully submit this report.
